<sup>1</sup> \$199.95 on a 3-year term voice and data plan of \$45/month or greater. Email, mobile number, and related information required for setup and activation. Data plan required; unlimited usage data plan strongly recommended or additional data charges may apply.

<sup>2</sup> Price after rebate and qualifying service agreement. See your carrier for complete details.

<sup>3</sup> Price after qualifying service agreement. See [Bell](#) for complete details.

<sup>4</sup> Within wireless coverage area only. Email, web, and messaging require data services at additional cost. Microsoft Exchange email and Microsoft Direct Push Technology available for Exchange ActiveSync only and require Microsoft Outlook using Microsoft Exchange Server 2003 SP2 or later. Availability of IM functionality may vary by carrier.

<sup>5</sup> Supports SDHC standard which is necessary for compatibility with 32GB microSD cards, sold separately.

<sup>6</sup> Limitations apply to GPS. Within wireless coverage area only. Voice prompted as-you-go navigation not included.

<sup>7</sup> Coverage not available in all areas at all times. Requires data services at additional cost. Voice-activated, as-you-go, turn-by turn directions require third party software at additional cost.

<sup>8</sup> Estimate subject to change based on system software and application usage. Actual memory and available memory may vary slightly by wireless service provider.

<sup>9</sup> Check with your carrier to see if your service plan supports this feature. Additional service charges may apply.
